

Downtime prevention.

Critical equipment parts supply, essential spares consigned or hold-for-release availability programs, rental and “pay as you go” solutions.

We deliver any where, any how!

As a specialist suppliers of ship spares and accessories for engines, pumps and transmissions on board vessels in the South Pacific, we get you the parts you need, when you need them, where you need them.

AB Industries sources new engine/equipment parts from Asia, Europe, the USA and Japan to maintain our price competitiveness. Good quality used parts come with a complete detailed history and for major reconditioned engine parts a detailed workshop inspection report will be attached with our offer wherever applicable.
